FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2288 – SB 2978

February 4, 2012

SUMMARY OF BILL: Authorizes each type of new specialty earmarked license plate to be eligible to be personalized as long as no duplicate registration numbers are issued to the same type of license plate classification.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Current motor vehicle law (Tenn. Code Ann. §55-4-211) provides for personalized license plates.
- According to the Department of Revenue, this bill will allow duplicate personalized license plates to exist, if the personalization is not duplicated within a particular plate class.
- The Department of Revenue can accommodate this change without an increase in personnel or a reduction in other budget items. Any increase in state expenditures and revenues for the production and sale of such personalized license plates will be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
